

September 2017

Dear Parent / Carer,

**Music of Proof, Royal Northern College of Music
4th October 2017**

On **4th October** we are planning to take students in years 10-13 to the Royal Northern College of Music Concert Hall in Manchester to see "The Music of Proof". The performance will explore the eternal connection and differences between the art of music and the science of maths. The evening will consist of a new collection of miniatures for string quartet; five short movements each associated with a different mathematical idea. Students will be able to play with a new app that will be launched during the evening inviting the audience to match the maths in musical fragments. There will also be an opportunity to join composer Emily Howard and mathematician Marcus du Sautoy in a discussion about how maths and music are intertwined.

We will travel by school minibus and we will leave school at **17:30** and return to Eaton Bank by approximately 22:00-22:30. Students will text on route to confirm the arrival time.

The cost of the trip will be £5.00.

Places on the trip are limited and will be allocated on a first come basis.

Please complete the slip attached and return to the post box outside the Finance office by **20th September**. Alternatively you can view the letter on the website at www.eatonbankschool.org and return the slip via email to postpoint@eatonbank.org

This will secure your place on the trip and it will then be opened on your Parentpay account for you to make payment.

Please do not hesitate to contact me at school if you have any questions.

Yours faithfully,

Mrs A L Kuszniir
Mathematics
Assistant Curriculum Leader
