Released 20/01/23 Is emergency care in psychiatry working?	Is Psychiatry Working? - Crisis - BBC Sounds	Although psychiatry helped writer Horatio Clare when he was in crisis, some people in difficulty, their families, clinicians, psychologists and psychiatrists themselves will tell you there are serious questions about the ways psychiatry understands and treats some people in trouble. And so this series asks a simple question: is psychiatry working? In the following series, accompanied by the psychiatrist Femi Oyebode, Horatio traces a journey through crisis, detention, diagnosis, therapy, and recovery. In this episode, they consider the role and place of diagnosis in psychiatry.
