Science Key Words Year 7

Command word

State

How science works

Accuracy

Tier 2 language

Particle

Biology

Organism

Chemistry

Evaporation

Physics

Force

Science Key Words
Year 8

Command word

Describe

How science works

Precision

Tier 2 language

Random

Biology

Respiration

Chemistry

Filtration

Physics

Conservation

Science Key Words Year 9

Command word

Compare

How science works

Bias

Tier 2 language

Calibrate

Biology

Pathogens

Chemistry

Distillation

Physics

Energy

Science Key Words Year 10

Command word

Explain

How science works

Mean

Tier 2 language

Relative

Biology

Enzyme

Chemistry

Crystallisation

Physics

Half-life

Science Key Words Year 11

Command word

Evaluate

How science works

Anomaly

Tier 2 language

Justify

Biology

Adaptation

Chemistry

Precipitate

Physics

Latent
